Subject: **Raminderjit Assi**

To Whom This May Concern,

Mr. Assi has been sub-contracting for AJM Installers for almost a year now. In that time, he has grown significantly within the company. He is exceedingly punctual, very hard-working, respectful, and driven.

He started out helping on small jobs and learning the ropes. At six months, he received a promotion. As foreman, he now leads projects for the company and helps train others.

Losing Mr. Assi has been a tremendous loss for the company. We're hopeful he will be able to return to his role within the company ASAP.

Sincerely,
